

INCJ portfolio company Dynamic Map Platform Co., Ltd. lists its shares

Tokyo, March 27, 2025 — INCJ, Ltd. ("INCJ") announced that Dynamic Map Platform Co., Ltd. has listed on the Growth Market of the Tokyo Stock Exchange. INCJ has been invested in Dynamic Map Platform since 2017.

About INCJ, Ltd.

INCJ, Ltd. was established in September 2018 via company split from Innovation Network Corporation of Japan (INCJ). INCJ was established in July 2009 with the aim of overcoming boundaries between companies and industries, creating and nurturing key industries via open innovation for the prosperity of future generations. Following revisions to its governing law—the Industrial Competitiveness Enhancement Act—the continuing company changed its name to Japan Investment Corporation (JIC) and began new activities. INCJ, Ltd. is mandated until March 2025 to pursue the activities of the original Innovation Network Corporation of Japan, engaging in “Value Up” initiatives at portfolio companies, making additional and milestone investments, and developing exit strategies from investments in portfolio companies. As of March 2024, cumulative investment amounted to JPY1.2963 trillion, while cumulative recovery amounted to JPY2.2490 trillion; given that the amount recovered exceeds the amount invested, and that no new investments are being made, INCJ's overall balance will be positive.
