

Astroscale Holdings

Target: Astroscale Holdings Inc.

Outline: Development of space debris* removal technologies and other space-related services

Authorized investment: USD 30 million (maximum)/USD 35 million (maximum)

Announcement date of investment: March 1, 2016/October 31, 2018

*Space debris includes decommissioned satellites, spent rocket stages and other orbiting inoperative manmade objects or fragments of such objects produced through collisions

- Contribute to the resolution of the space debris issue that is increasingly threatening development of the space industry, by supporting Astroscale to develop new technology, demonstrate its effectiveness, and structure a robust business model
- Support satellite technology development and contribute to value creation in space-related industries
