Investment

Yoshimura Food Holdings will continue to seek out food-industry SMEs with growth potential, and will further enhance and expand its company portfolio through ongoing M&A.

**YOSHIMURA
FOOD
HOLDINGS**

- ✓ Through M&A, Yoshimura Food Holdings acquires food industry SMEs with growth potential, but which are experiencing difficulty in achieving growth on their own. By leveraging its business platform, it aims to expand sales, reduce costs, and improve management quality of its portfolio companies..
- ✓ Taking advantage of its integrated business platform, Yoshimura Food Holdings aims to achieve the national and international expansion that would be challenging for a single company.
